Globe-Wernicke Sectional Bookcases

Father brings home an armful
of books on Saturday night and
clutters the floor on Sunday to
his heart's content, knowing
the convenience of his

and that when there is not
enough room for his new
books another Globe-Wernicke
section is added.

Above all, a library should be
a place of accumulation. You
may buy a complete bedroom
suite at one time and still main-
tain your self-respect; but where is the self-respecting
man who would buy an entire library at one fell swoop!
No, there must always be room for one book more, and if
there is no more room, the library must be enlarged.

Hoosier Prices Subject to Change Without Notice

That's what the
maker has warned us—
due to the radical in-
crease in the cost of
all raw materials that
go into Hoosiers' life-
time construction.
Some articles have
gone up 300 per cent.

Yet we are still
selling the Hoosier at
the old-time prices be-
cause the enormous
demand has helped to
keep the factory cost
down.

All of you folks
who have planned to
get the Hoosier should
order N.O.W., while
the prices are low.
Hoosier prices may ad-
vance any day.

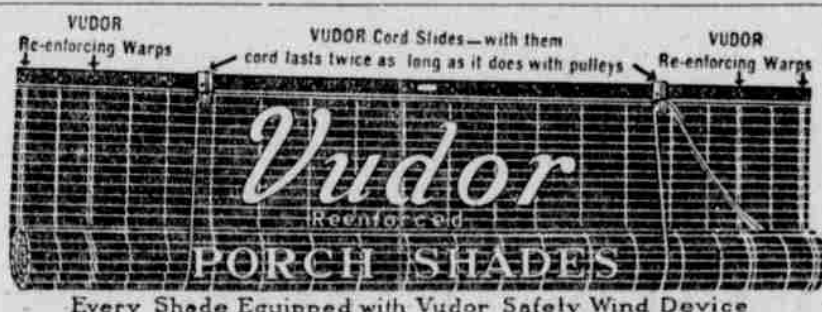

Remember, we put this famous cabinet in your kitchen for a small payment down.
Then \$1 weekly pays the balance soon. Your money all back if you are not delighted.
Hoosier has 40 labor-saving features that save you hours of time and miles of
steps. There is no other cabinet like it on earth. Its unrivaled convenience won the
Gold Medal at the Panama-Pacific Exposition, San Francisco.

Regardless of the space in your kitchen, there's a Hoosier to fit it at a price you
can easily pay. Come at once and select your model—save many dollars—save a life-
time of labor.

The colors harmonize with the color scheme of your house and will withstand the action of the
weather. Vudor Porch Shades retain their newness for many seasons.

Vudor Shades are never painted nor dipped. Painted shades are objectionable, as they make a
porch very hot. The painted surface absorbs the heat instead of repelling it. The stained surface of
Vudors does not reflect the sun's rays and keeps the porch shady and cool when outside it is "sizz-
zlingly" hot.

All Vudor Porch Shades are re-enforced at both edges and the wider shades in the center with
double warps. This enormously increases their durability.

All Vudor Porch Shades have a full drop of eight feet when in use. Other advertised shades
are six inches shorter.
